*Turnaround times are estimates based on the date cards are checked in at PSA and are **NOT GUARANTEED**.

Each service level requires a separate submission, and cards may be returned at different times. **PSA also requires a minimum number of cards per submission; as a result, we may need to hold cards until a submission can be filled. All PSA submissions must be shipped in Card Savers, which are included in our grading fee.**

*** Grading Fee Includes Card Inspection, Wipe Down, Penny Sleeve, Card Saver, and Shipping to PSA***
